

2015 Great Arizona Desert Spring FITA Field

April 25-26, 2015

The 2015 Great Arizona Desert Spring FITA Field ended on several high notes. The few but mighty archers that attended hailed from Washington State, California, Michigan, and Arizona. This year's competition was dominated by the Bare-Bow shooters. All but two were bare-bow shooters, with one Olympic Re-Curve and one Compound shooter. Due to scheduling conflicts with the State Joad and Senior Championships being held at Ben Avery Range, and the Third Leg of the Arizona 3D Championships Series in Globe, our numbers were down. The next FITA Field will be the Arizona State Championship at Usery Mountain Regional Park Field Range, October 24 and 25.

(Remember, whenever you read FITA field scores and you see an archer with equal or near equal scores for both days, that is excellent shooting.)

Results:	Day 1	Day 2	Total	Finishing Position
Adult Male - Long Bow				
Richard Doria	201	173	374	1 st
Adult Female Bare Bow				
Julie Robinson	286	290	576	1 st
