## 5<sup>th</sup> Saturday NAFITA Fun Shoot

Eight archers came out to the Fifth Saturday Free Field shoot. Six of them enjoyed their first ever field archery experience. The format, including both the FITA and NFAA style of field shooting and scoring, gave the archers exposure to both. We welcome all new (and veteran) shooters and look forward to seeing you at future archery events. Many thanks to these archers who came out and tried field archer and discovered how much fun it is.

Saturday's Results:

Mike Wahl: 314 (unable to finish) compound bow. First timer.

Kathleen Andersen: Coming back from serious shoulder complication, shot just for fun and to "test her shoulder." (no score) Traditional

Caleb Gottschalk: 244 (unable to finish) compound bow. First timer.

Steve Felder: 309, compound bow. First timer.

Rusty Bickle: 388, compound bow. First timer.

K. C. Gatineau: 347, compound bow. First timer.

Bailey Gastineau: (cub) 371, compound bow. First timer.

It was my pleasure to assist all of the new shooters with the rules and scoring of the games.

Next Fifth Saturday is May 31st. Hope to see you and a whole lot more.

The Spring FITA Field is April 26, 26 at the same range that we used for the Fifth Saturday Shoot. For information check our website.
